Certificate of Accreditation

The Senior Management of Karlsruhe University of Applied Sciences grants accreditation for the study program **Computer Science (Master of Science)** at the Faculty of **Computer Science and Business Information Systems**.

The study program has fulfilled the requirements for accreditation under the quality management system. The study program is entitled to bear the seal of the Accreditation Council.
The master's degree grants its holder access to a senior-level position in the public sector.

The accreditation is valid until 31.08.2032.

Karlsruhe, 17.06.2024

SIGNED
Prof. Dr. Rainer Neumann
Vice-President for Academic Affairs and Continuing Education

This is an official translation of the original German "Akkreditierungsurkunde".
